

Privacy Policy

This privacy policy explains how **StoryGeoSolutions** collects, uses, and protects any information you provide when using this website or joining our mailing list.

StoryGeoSolutions is committed to ensuring your privacy is protected. If we ask you to provide information that can identify you while using this website, you can be assured that it will only be used in accordance with this privacy statement.

StoryGeoSolutions may update this policy from time to time by making changes on this page. You should review this page periodically to stay informed of any updates. This policy is effective from **January 20th, 2026**.

What We Collect

We may collect the following information:

- Name
 - Contact information, including email address
 - Demographic information such as postcode, preferences, and interests
 - Other information relevant to customer surveys and/or offers
-

How We Use Your Information

We require this information to understand your needs and provide better services. In particular, we may use your information for the following purposes:

- Maintaining internal records
 - Improving our products and services
 - Sending promotional emails about new products, special offers, or other information we think may be of interest
 - Contacting you for market research purposes via email, phone, fax, or mail
 - Customizing the website according to your interests
-

Security

We are committed to ensuring your information is secure. To prevent unauthorized access or disclosure, we have implemented suitable physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

How We Use Cookies

A cookie is a small file placed on your computer's hard drive with your permission. Cookies help analyze web traffic and allow the website to respond to you as an individual. By gathering information about your preferences, the website can tailor its operations to your needs.

We use traffic log cookies to identify which pages are being used. This helps us analyze website traffic and improve the website to meet user needs. The information collected is used for statistical purposes and then removed.

Overall, cookies help provide a better user experience by monitoring which pages are useful. Cookies do not give us access to your computer or any information about you other than what you choose to share.

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser settings to decline cookies. Doing so may limit some website functionality.

Links to Other Websites

Our website may contain links to other websites for your convenience. However, once you use these links to leave our site, we have no control over the other website. **StoryGeoSolutions** is not responsible for the privacy practices of these external websites. You should review the privacy policy of any external site you visit.

Controlling Your Personal Information

You may choose to restrict the collection or use of your personal information in the following ways:

- When filling out a form on the website, look for a box to indicate that you do not want your information used for direct marketing purposes
- If you have previously agreed to our using your personal information for direct marketing, you may change your mind at any time by submitting a request via our contact page

We will not sell, distribute, or lease your personal information to third parties unless required by law or with your permission. We may use your personal information to send you promotional information about third parties only if you have opted in.

You may request details of personal information we hold about you under the provisions of **Canada's Personal Information Protection and Electronic Documents Act (PIPEDA)**. To receive a copy, please submit a request via our contact page.

If you believe any information we hold about you is incorrect or incomplete, please contact us via the contact page. We will promptly correct any inaccurate information.
